

**VISION | FLAT<sup>2</sup>**

**WORKSHOP**

**»SHEET-TO-SHEET COATING«**

**JUNE 9-10, 2020**

**DRESDEN, GERMANY**

## ABOUT THE WORKSHOP

Fraunhofer FEP is focusing on R&D for enabling technologies on rigid and flexible substrates in sheet-to-sheet processes.

Meet our experts and friends in pleasant atmosphere!

A colorful workshop program on current issues in research and practice of sheet-to-sheet technologies awaits you.
