

11 – 12 November 2025 | Dresden, Germany

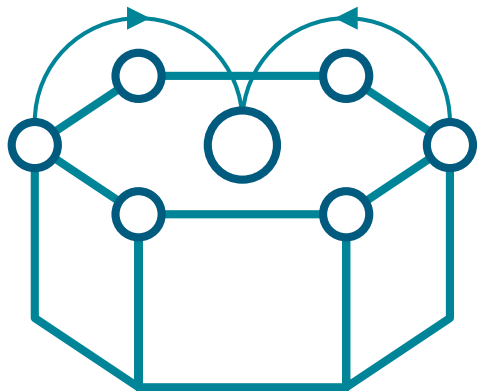

International Workshop on Magnetron Sputter Epitaxy

Register now!

Join us at IWMSE 2025!

The participation is free of charge.

IWMSE

International Workshop on
Magnetron Sputter Epitaxy

Topics covered

Growth, characterization, devices and applications,
and commercialization

Highlight

Magnetron Sputter Epitaxy for High Volume Manufacturing
Dr. Thomas Tschirky, Senior scientist at Evatec AG

Registration

Please consider submitting a presentation abstract.
